7 Västerbo Redless has scored two impressive wins in a row. The mare has shown by far the best times and faces perfect conditions money-wise. She should top chance. **6 Matador Sisu** has avoided a mistake once and won directly. Main challenger without an error. **1 Jack Johnson Zet** is making his first start for a new trainer. Has done well so far, but will still find it hard to win here. **8 Ragnhild Burge** won easily from the lead two starts back and is a contender for a place bet.

9 Fakså Ö.K. is showing consistent 31-times which is really good for this cold-blood race. Our winner in an otherwise wide open race. **11 Stens Grubbel** won an easy race two starts back and is now driven by Jorma Kontio. **4 Min Ferie** won nicely in his debut after a good finish. Shouldn't be underestimated if he can handle this tricky number four. **15 Klack Milton** galloped last time but looked nice. Is speedy, but not reliable. Early choice without a mistake.

2 Gladiator S. looked nice but got locked in last time. Can open fast and is the favorite for the front. Good chance to lead the race all the way. **4 Born In Sweden** has been improved towards the end. He possibly prefers the short distance, but in his current form he can win this race after all. **7 Buzzed Driving** has three straight gallops which is worrying. Owns really good speed for this type of race. **8 Timotejs Märta** has good skills but clearly needs some racing luck from this starting position.

2 Izola Silvåkra took the lead in the last race and was able to win easily. Good chance regardless of the journey. **1 Panerai** impressed in the last race when he passed the whole the field during the final lap. Early choice if the horse finds an opening in time. **7 Can Can Broline** got defeated by Ellen Ripley in the last race. The mare has now got three runs under her belt after a break and is close to top form. **8 Solo Traveler** has been matched against tough opposition and should not be overlooked despite this starting position.
