3 Suspicious Mind did not convince in the last listed race Langer Hamburg and got a break after that. Scored two very good wins before that on Klampenborg and uses to do well after a pause. Our pick. 4 Gold Tyranny has been up and down this season. Won this Luca Brasi Cup last year and faces better weight now towards Suspicious Mind since the defeat in SFK:s Jubileumslöpning last season. Main challenger. 1 Marta has done well this year and was third in this race last season. 2 Harry was second and closely defeated by Marta in the last race but faces better weight now towards the latter one. Place chance.

5 Irish Action scored a comfortable win in the debut after quite a tough journey. This shorter distance should not be a problem and he should be improved as well. Banker. 4 Black Power won over this 1200 dt and has put in two good efforts after that over the same conditions. Challenger. 8 Grey Ascension did alright in the last race over these circumstances a couple of lengths behind winning Lucy In The Sky. In case of strong over-pace. 3 Miss Mambo has been improved since her latest visit in Malmö. Outsider.

3 Zunzina found the lead in the debut and scored an outstanding victory 12.5 lengths ahead of the rest. Should have top chance in this Stig Holms Pokal with a similar performance. 2 Big Red Panda won the debut and was second in Danish Kriterium after that just closely defeated by Eternity Tree. Challenger if she handles the Jägersro dirt. 5 Nouran did alright behind loving Steinar in the first start on Scandinavian soil. Place chance. 1 Scarlett comes from a nice victory and could fight for a place here if she stands this longer distance.

4 Zeffirelli did not convince in the debut on Övrevoll heavily backed. Should be improved though and is certainly well prepared by Wido Neuroth for the Jägersro dirt track. Our pick. 8 Titannia was promising in the debut in Malmö and after that she put in a strong effort in Breeders' Trophy Juvenile. Early contender with a similar performance. 10 Tin Win was third in the qualifier behind promising debut winner Stienar. Possible in this debut despite a poor number. 3 Pjerrot has a pedigree which clearly says dirt. Big outsider here.

2 Miss Haven comes from a close win in Furlong Challenge on the Bro Park turf. Scored a couple of splendid wins on this surface and is our winner in this Rosengårdlöpningen. 9 No Nay Naughty scored his third win in six attempts in the last Derby Day Sprint. Main challenger despite a poor number. 5 City Code has done well this season on the Övrevoll turf against good opponents. Possible here too if the gelding handles the Jägersro dirt. 1 Dominic was simply the best in the last race and won with eight easy lengths. Contender.

4 Valde scored a good second spot behind Single Malt two starts back over these conditions. Faces better weight conditions towards the latter one today and is our pick in this tricky Sunday Special. 10 Single Malt comes from victory over these conditions but got four kilo up after that performance. Early contender anyway. 9 Primacor comes from a well deserved victory after a couple of good efforts. Could be in the mix again here despite tougher circumstances. 11 Zingaro Boy scored the latest win on dirt and has done quite well after that on the green surface. Outsider.
