Ridden race. Six horses and three of them make their debut under the saddle. And two of them have only one race in this discipline. Hard to predict. **2 Upper Face** has met tough horses and not been very successful. Easier now and our pick here. **5 Uncle Töll** earned more than 500,000 SEK last year and is good for this class. Has not been as successful this year but will be interesting to see under the saddle now. **3 Forecast U.S.** is the most experienced horse in this discipline and that could be decisive. **1 Digital Pro** is well drawn but faces tough conditions money-wise.
