<p>6 Sabatino Bo gave up from outside the leader in his debut. Looks quite nice and this time the opposition is much easier. Good chance to lead this throughout. 4 Tvingens Calippo followed well in a nice time in his debut but galloped in the race after. Should not be overlooked without a mistake. 11 Parfait H.Boko has faced tough conditions in both starts. Showed good speed, but this 20 meter handicap is not easy. 1 Moon Du Noyer galloped towards the home stretch in his debut. Nice lane here.</p>			A: 6-4

11 Lion Journey makes his debut for Timo Nurmos, which of course is interesting. The horse has shown good capacity and already in this comeback he will race with an American bike. Early choice despite this lane. **12 Ytowns Ulrik** is not reliable at all, but owns good speed. If Joakim Lövgren's horse avoids a mistake, he is a contender here. **7 Look Down** has been consistent and good most of the time. **9 Oceania Schermer** is still chasing the first win of his career. Possible but needs some racing luck.

Returns after a layoff now and we give him a new chance. Can certainly do better than shown. **1 Gem Templar** has done well most of the time without winning. Jepson now. **11 Love You Quick** is possible too but needs some racing luck.

3 Unforgettable Tile has finished well in both starts and was also good enough to win the last race. He has the right attitude and even if the opposition gets tougher, Joakim Lövgren's trotter should have a good chance of winning. **6 Gomari** won the debut in a nice way. Hasn't really convince since then but should have a decent chance from this lane. **1 Warren Buffet** does well most of the time and is guaranteed a nice trip from here. **10 Sven Kuce** is doing very well, but this 20 meter handicap is tough.

If he avoids a mistake he can do it tough. **12 Shadow Moon** scored a good win two starts back. Poor lane but an early choice if our pick should make a break. **1 Sky Brigadoon** meets stallions/geldings this time. Is not that bad. **4 Keep Up Laser** was good as third in the last race.
