<p>2 Brionne is a very well-bred horse making her debut for Katja Melkko. The trainer uses to have her horses well prepared and considering how good the horse was in the qualifier, this should be a good opportunity. 1 Judy Zet was a scratch in August. Qualified in a nice way and this sister to In Toto Sund, Diana Zet, Faeza Zet and Izod Zet has to be considered. 8 Mackenzie Bro did well as third in her debut and is possible with the right journey. 10 Classic Racer is a contender too but needs some racing luck.</p>			A: 2-1

1 Griffons Wine has a run under his belt after a short layoff. This is a really good horse for this class and Anders Eriksson's 4-year-old has a good chance to find the lead here. Our pick. **6 Beautiful James** is really capable too. Was not at his best in the last Derby heat, but goes down in class here. Good chance if he bounces back. **4 Ninepoints King** has not been completely stable this year but owns great capacity. **5 Global Fighter** is strong and tough.

Has to be considered. **8 Cristallo** has put in two really nice performances lately without winning. Early contender here with a similar performance. **10 Lumbermans Malte** galloped in the last race but is normally consistent and good. **12 Chill Of Mine** is in great shape.

Likewise here. **4 Thereisnolimit** has not been successful at all lately. Place chance. **7 Dark Roadster** sprinted very well in the last race.

4 Ninepoints Moon did well from the lead in the last race. Should normally be considered in this field together with Henrik Kihle who has taken big steps in 2025. **7 Gladiator** is not reliable at all and was not at his best last time, but the horse has quite good capacity . This starting position means that some luck is needed. **3 Pack Control** has two runs under his belt after a long absence and change of trainer. American bike now. **8 Kommendör Baltazar** still hasn't won a race but is not bad at all for this class.

Has to be considered despite this lane. **7 Juni Brick** prefers to run in the lead and should find it hard to reach that position from this lane. Possible. **1 Jessie Leg** has been struggling with muscle problems but is on the way up again. Could find the pocket here.

2 Limoncello Boko is our pick in this very open race.
