8 Hindenburg Am was not at his best in the last V75-race. Showed good form before that and should normally have a good chance here. 9 Phoenix Photo galloped in the lead with 950 meter to go in the last race. Is a bit up and down but has good capacity for this class. Early choice. 2 Bluebird Pellini has only run two starts but is trainer Svedberg's pick in this race. Is certainly ready for a new trainer and could lead this for a long while. 7 Helios di Quattro scored a nice victory on August 28. Should be followed behind our top trio.

2 Hadrianos is our pick here even if he has not convinced so far this season. Was promising as a young horse and faces quite easy opponents here. 10 Zorro Kronos comes from a couple of mediocre efforts. He won three starts back after a quick finish from fourth on the outside. 11 Mister Selfie was third after a pause in the last race and did alright. Should be improved by that run. Outsider. 1 Joey T.Chéri has galloped a lot now. If he avoids a mistake he could cause a surprise.

3 Ängsbrage faces nice conditions here. Set a new record in the last race and is well drawn over this short distance. Is driven by Ulf Ohlsson here. 12 Åstas Gotthard was not at his best in the last race. Won comfortably in the lead three starts back but has to attack from the back now. 11 G.G.Qurre came back well after an early mistake in the last race. Showed good form and should not be overlooked behind the favorite. 10 Kajsas Ture is better than the latest results show. Could cause a surprise in case of quick pace.

### RACE 7, V64-4

Auto 2140

11 Devs Dandelion scored a good win with a similar number in the last race. Faces tougher opponents now but should have a good chance again with the right journey. 1 Heaven Mearas will run her third race here for Daniel Reden. The horse can do better than shown lately and should be considered early. 2 Biscaia attacked from far back in the last race and did well a bit behind the winner. Is better drawn here and should be followed. 10 Katri P.Boko is inexperienced but has won three out of six races so far. Will go around many opponents here but needs some racing luck.

### RACE 8, V64-5

Volt 2140

9 Rudisha looked nice already before the last race and lived up to the high expectations. Is in good shape and should have a good chance again. 11 Ferrell makes his debut for a new trainer. Is consistent and good enough to be in the mix directly here. 8 U.B.Cool resumed from a short spell in the last race and might have needed that one. Is good for this class and could be in the mix here. 1 Sedin U.S. has not raced since May and makes his debut for a new trainer here. Interesting number. Outsider.

2 Powerbank is our pick in this open race over the short distance. He finished fast to a second spot two starts back and will soon score the first win of the year. 5 Gassin Am went for the lead in the last V75-race but failed and never got a real chance. Is good for this class and has earlier this year won over this distance. 9 Hacker Am has scored a couple of nice wins for the new trainer. Back row drawn now over the short distance but with the right journey she could fight for victory again. 11 Dallas Brick made an early mistake in the last race. Finished strongly before that and showed good form then.
