2 VästerboontheNews has earned almost six million SEK and is by far the most successful horse here. Should normally have top chance but has not raced for a long while. 11 Jaguar Zon has convinced lately and scored three wins in the last four starts. Is in good shape and should be considered early despite this number. 12 Isi Band faces even tough conditions but he is in great shape too and could go around all opponents with the right trip. 3 Super Nice met too good horses in the last race. Did well before that and is an early choice.

2 Young Yade failed in the last race but was really good before that and normally she should have a nice chance here. Good number. Our pick. 12 Extreme A.F. has met quite strong opponents and become tougher. Is poorly drawn here and needs some racing luck to win this. 4 Massive Hangover scored a good victory in the lead in the last race and looked nice. Will go for the front again here and is an early choice regardless the journey. 7 Isac B.M.W. has not been defeated yet so far.

8 Cobbys Forever has got a tricky number here but the horse has good pace and should have a good chance in this company. 11 Maverick Dream has put in a couple of good efforts lately but without winning. Will soon score a victory. 9 Deep Sea galloped a lot and had to qualify. Did well there and is certainly fast enough to fight for victory here. 14 Jareth Boko has one run under his belt now and the form is certainly on the way up. Early contender.

2 Rally Isak has been very consistent and good lately and is in great shape. Could find the lead here and in that position he will be hard to beat. 11 Stojweiler One attacked from fourth on the outside with 900 meter to go in the last race and finished to a strong victory. Early contender again here. 14 Amarcord L.G. has been improved a lot lately and despite a tough number he should be considered early again here. 3 Pierre Copain has been a bit up and down lately but if he is at his best he is certainly possible here. Should be considered.
