7 Four Dragons got a ride from far back in the last run but finished alright. This apprentice claims two kilo off. Our pick. 5 Tussilago Farfara gave up on the home stretch in the last race. Did alright though and is possible here with a better journey. 4 Record Breaker scored a very strong victory in the front on September 14 and should be considered early here too in that position. 3 Mysterious Mind uses to meet quite tough three-year-old horses on Klampenborg and could cause a surprise here in the debut for trainer Dina Daneskilde.

5 Bugatti BF won the debut over this 1600 dt and led from start to finish. Our pick in this open Skåneland race. 6 Bushmill is undefeated so far after three convincing wins. Possible again here despite a couple of tough opponents. 3 Yoyo won the debut and was second in the race after just closely defeated by Bushmill. In the mix here with a similar effort. 2 Nuevo Estrella uses to meet much tougher opponents but this surface is new. Early challenger if the horse handles that.

7 Röde Baronen has been matched against tough opponents and faces nice conditions in this Silver handicap. Contender. 2 Sugar Crust has not had a real chance against tough opponents. Easier task today and she is an early challenger. 1 Cibelle won over this 1730 dt and was second in the race after just closely defeated by Umissedasport. Possible. 5 Vailet has convinced a lot on the Klampenborg turf as a four-year-old. Has a dirt origin and should be considered early.

8 Master Zone is very well bred and scored a convincing victory in Gothenburg. Should have top chance in Kriterium Trial. 3 Spinwell won the debut over the short 1200 dt and is a possible challenger if the gelding stands this longer distance. Main challenger. 6 Beckham is not the first choice but has one well on his home track over the short distance without winning. Outsider. 5 Pinerolo got a tough debut in the Swedish Championships for two-year-old horses on Bro Park and was third after that on Örevoll. Typical outsider.
