4 Fighter is our pick here. He uses to meet quite tough opponents and had energy left from behind the leader in the last run. Is well drawn behind the gate. 6 **Kenzoki Boko** is consistent and good but he has not won for a while. If he lives up to his capacity he will fight for victory here. 5 **Master of Zon** has had poor numbers lately. Likes the short distance and should be considered early behind the favorite. 7 **My Sea** is quite poorly drawn here but should not be overlooked with the right journey.

## RACE 7, V64-3

Volt 1640

5 L.Q.Widde started with eight straight wins before he got defeated twice in a row in the lead. One out of two horses here with a good chance to win. 3 Garli Kongen has scored eight victories out of 14 races so far and won comfortably in the last race after a 24,5-finish. In the mix again here. 15 Åstas Gotthard showed great form in the last run. Will put in a good effort again here but this handicap and number in the second line is tricky. 1 Oss Can resumes from a spell. Interesting number and he has good speed for this class.

## RACE 8, V64-5

Volt 2140

6 Teton Miss Annie gave away the lead in the last V75-race and was quite clearly beaten at the end. Will probably be driven in the front this time. Our pick. 2 Reven Dejavu comes from a V75-victory and uses to meet tough opponents. Should be considered early despite this number. 4 Trumpie was improved again in the last run and finished well on the home stretch. Possible behind our top duo. 8 Franklin Face has not been competing in sulky races since July. The form is a question mark but he could be an outsider here.
