6 Eagle Hall has been consistent lately and is our pick in this open race. The horse can open quite fast and should have a good chance if he finds the lead. 10 C.Neway was not as good in the last run as when he scored the two wins before that. Normally he will defeat many horses in this company. 12 Xerxes Millpond is chasing the first victory. He has finished strongly lately and will soon score a win. Has to be considered. 5 Son of Quarcio finished well as a big outsider in the last run. Worth a warning here.

4 Nymke Brigadoon dictated the pace in the lead in the last run and won easily at the end. Has shown that she stands the long distance and is our pick here. 7 Love Eagle galloped directly in the last run but scored a very nice victory in the lead before that. She is strong and has won six out of twelve races. 11 Vanja has not convinced lately. Resumes from a short pause now and is driven by Adielsson. Has to be followed. 3 Southwind Sansa makes her debut over the long distance here and chases the first victory. Outsider.

1 Önas Prince has had a splendid season with twelve wins in 13 starts. He won both Sprintermästaren and Kungapokalen. Quick starter. Top chance to win. 12 Sister Sledge is undefeated after five starts this year. Would have been an interesting challenger with a better number but will find it hard to beat the favorite now. 11 Titan Yoda was interfered to a mistake in the last Breeders Crown-final. Is strong and has place chance here with the right journey. 4 Mr Mah Can is a bit up and down but has good capacity for this class and should not be overlooked here.
