## RANK

**7 Deer Hunter** was really strong in her debut and scored a nice win. She could be improved by that run under her belt and even if she meets stallions/geldings this time, she should have a good chance. **9 Howtodo W.F.** has improved since his debut and comes from victory. Well-bred and has to be considered early. **8 Topsy Bee** was very good in the debut but has the worst possible starting position. **6 Running Steel** is chasing the first win of his career.

**2 Piccadilly Pellini** is a daughter to the Untersteiner family star mare Neonas Princess. Started the career with two straight wins. Tougher opposition now. Good chance anyway. **9 Mila Barosso** is the main challenger. Has shown enormous speed but has not started for a long time and her form is a question mark. **1 Madame Mearas** is Johan Untersteiner's pick in this race. Not reliable, but has good potential. **6 Norma Jean B.R.** will compete barefoot, which is interesting.

**8 Preposterous** already qualified as a 2-year-old, but then it took a whole year before his first start. Impressed a lot then and won by a wide margin. Should be even better now and should have top chance. **3 Maiken Palema** has been nice as second in good times so far. Close to the first win. **9 Runlikehell Michel** lost as a big favorite in the last race after a tough trip. Gets a defensive journey now? **1 Bellton Memphis** has been improved lately and comes with two wins in a row. Tougher now.

**13 Nightrain** was really nice last time and is an early choice with a similar effort here. Is an inexperienced horse though and this 20 meter handicap is not easy. **12 Wiener Sängerknabe** is still a bit inexperienced, but owns good speed and has the right attitude. Might prefer to attack from behind. **7 Västerbo Outsider** has not always been reliable but was really nice as second in the last race. **6 Banke** could be in the mix too but needs some racing luck.

Hasn't started for 1.5 years now but owns plenty of capacity. **8 L.L.Tromelinaffair** is a bit tricky, but has good capacity when he is at his best. **10 Memorial Fashion** is also up and down, but owns good speed. **5 Son Of My Father** is now driven by Björn Goop.

**4 Global Formidable** has been improved a lot without shoes lately and comes with two straight wins. More strong than fast, but has shown good capacity and should be in the mix in this race. Should be considered early regardless of position. **1 Gold Man Fi** is clearly better than the latest results show. He finished well a bit behind the winner in the last race and can open fast behind the car. In the mix. **2 Good As Caviar** is strong and fast. Is ideally drawn. **3 Valnes Penny** has never won but been clearly improved for the new trainer.

**6 Patton** has three wins in a row and shown that he is both strong and fast. He will meet quite easy opposition this time. He has impressed for Maria Törnqvist and will be hard to beat. **10 Gustav Simoni** held strongly from the lead in the last race. Barefoot is an advantage and the horse is at least as good from behind as in the lead. **2 Freisa Roc** has a run under her belt and is much better than the results show. Should not be discounted. **1 Ginger Peachy** can be in the mix too from this good starting position.
