5 Jailhouse Banker should have a very good chance in this small field. Will probably take over the lead from Scot Ganymede. 4 Muscle Mack is in good shape. Got pressed in the lead in the last run and was really brave. 6 Radieux got a trip from outside the leader/second on the outside in the last run. Was a disappointment. 1 Scot Ganymede attacked with 500 meter to from second on the outside in the last run. Was not at his best. Can open fast.

4 M.L.'s Odin wins often and comes from a good win despite a tough opening and the position outside of the leader after 500 meter. Our winner. 8 Felix T.H. is as good as our pick but this number is bad and his form is a question mark too. 5 Lisabella is getting better and better and beat our winner on November 19. Will find it hard to repeat that effort though with this inexperienced driver Amalie Bördal Lyssand though. 9 Sture Neon is possible too behind the favorite. Has only one win this year though and made an early mistake in the last run.

The favorites face a double handicap. 8 Jan Viktor H. started from outside the leader in the last run. Took over the lead after 550 meter but got defeated at the end. Good chance to finish to victory here. 7 Korrappen has not won yet either but is in good shape. Good chance if he gets a better trip than our pick. 1 Birk Triplilla is the only horse in the first circle and should be considered early here. Could lead this for a long while. 2 Dag Nora has put in a couple of good performances lately and could be in the mix again.

3 **I Do It My Way** is a good favorite and could be a banker too. Faced similar conditions in the last run where he attacked in the final turn from third on the outside. Finished fast and was outstanding. 1 **Esau** was not at his best in the last run and got clearly defeated by our pick. Can do better and faces nice conditions here. Could take revenge here. 2 **Beverlyhills Vicky** beat our winner in the last run but is driven by an amateur now and this number is tricky too.

8 **V.G. Prinsen** is a bit up and down and the form is a question mark too. He faces very nice conditions here though. Good chance despite this number. 10 **Tom Odin** resumes from a spell. Did not impress at the end but is normally one of the better horses in this company. 1 **Dag Fröya** found the lead in the last run and scored a very easy victory. 4 **Skaffer Mario** finished well from far back in the last run and will be interesting to follow here.

5 Hage Jerven attacked with 750 meter to go in the last run and was brave. Should have a very good chance to win this. 10 **Magnums Othello** found the lead in the last run but got defeated by our pick here. Has to attack from behind this time. Contender. 9 Lille Jerkeld finished well from far back in the last run and beat our winner here. Was driven by Svein Ove Wassberg then though. 2 **Kuven Storm** has put in two good efforts on Bergen. He was close to win in the last run.
