10 Katoki put in a strong effort two races back as he reached the front with one lap to go and then led throughout to score a comfortable win. He should have the best chance to win this race. **3 Moni Lane** is really gifted but not reliable. She is still undefeated without a mistake and from the lead. Fights for victory. **9 She's A Keeper** galloped into the home stretch last time but came back and finished second. Speedy but not reliable. **1 Incasso Crown** is consistent, but still without a victory after 16 starts.

7 Euron Face followed well in the last race, finishing second, but has been a scratch since then. Is fast enough to win this race and if he is at his best he will be tough to resist during the final lap. **2 Fabulous N'Way** galloped last time but was good in the previous races. Found the lead to win three races ago and if he reaches the front now he will lead the race for a long time. **4 Evangelista Face** is capable but is not reliable. If she avoids a mistake, she can win. **9 Brigo** comes back after a break for a new trainer. Should be considered despite this number.

11 Nasdaq Newport got a tough journey in the last V85 race. The opposition is a bit easier now and despite this starting position the six-year-old should have a good chance of winning. **12 America Dream** won despite a tough journey last time. Tough and strong in every way and would benefit from high pace. **9 Warrior's Tale** doesn't always trot well but has been good in the last few starts. Could cause a surprise. **10 Al Pacino** was clearly beaten by Nasdaq Newport in the last race and will find it difficult to take revenge here.

10 Keep Loving You has won four of the last five starts and comes in top form. The five-year-old is strong and fast and should have top chance to pass the whole field during the final lap. **11 Global Futurity** was mediocre last time, but if he competes at his top again, he is the main challenger to our pick. **2 Holger J.J.** scored a close but comfortable win in the last race. Much tougher opponents now and needs some racing luck. **7 Mr Fantastic** took two wins in a row in November and has also made strong efforts since then and is still in fine form.
