4 Micke Sting got a nice journey in the last race but finished brilliantly to a third place. The previous race he got locked in but still beat his main competitor here and looked nice. Top chance to lead this throughout. **2 Erik The Phantom** is gifted and scored a strong win, but in the last race he looked mostly slow and he is not a quick starter either. Early choice anyway. **3 Finn Palema** is training well before this debut for a new trainer. **5 Comes With Age** has nice top speed and likes this small field. Does not always show the right attitude though.
