6 Hit The Road Jack is talented and won very easily in the last run without being empty. Tricky number but he should handle it. Top chance. 10 Grønært was a bit too fiery in the lead two starts back and galloped in the last run still in the mix. Has good capacity but faces a 20 meter handicap and will normally find it hard to reach our winner. 2 Gennah Sisa is interesting for the new trainer. Is gifted and faces nice conditions here. Warning. 5 Gucci Cat is in good shape but has got a tricky number here. Place chance.

4 Express A P was really good in the last run after a tough opening. Is in great shape. Can open fast. Our pick. 2 Frodo Cash is ready for an interesting seasonal debut. Was second in the Derby last year. Is nice and has good skills. Is well drawn and should be considered directly. 7 Tour Eiffel is strong and has impressed in Sweden. Can do it tough and will probably get an offensive run. 5 Champions Peak kept up the pace alright in the last run but never had a chance. Is Steen Juul's pick in this race. Has scored a couple of good third spots. Should not be discounted.
