2 **Ginger Ninja** won on the open stretch two starts back. Found the lead with 1400 meter to go in the last run and was outstanding. Top chance. 4 **Ginger Ice** fought very well against **Gaghan Frisco** in the last run and showed good form. Early contender behind the favorite. 6 **Gaghan Frisco** beat **Ginger Ice** two starts back but was not at his best in the last run and came in fifth in a six-horse-field. Normally an early choice. 5 **Gagarin** has not won for a while but is in good shape and is possible too behind the favorite.

3 **Holiday** is our pick here. She is good for this class and has got a nice number. Not a banker though. 7 **Gladiator** ended last year with victory and resumes from a longer spell now. Has to be considered directly. 9 **Ejsing** has not raced for a while and might need this one to be at his best. Should be followed anyway. 4 **Gizmo Hyrdehøj** scored a nice victory three starts back. Should be considered as well here.

4 Freeze is a former Derby finalist who has come back after lots of trouble. He got a tough journey in the last run and was brave. 2 Conair M beat our pick in the lead in the last run. Can open fast and is possible again, both for the lead and the victory. 5 Fox On The Run S was the trainer not too optimistic about before the last run but the horse put in a good performance. Early contender. 8 Django Cæsar has not started for a while but should not be overlooked. Is fast and should be followed.

3 Hendrix is in good shape and should have a good chance even if he faces tougher opponents this time than he uses to. 7 Julia Doctor has got a tricky number but she is strong and can do it tough. Should be considered. 5 Gambler is a bit fiery and the chances are not easy to predict. If he stays calm now he is fast enough to win this. 1 Sunshine Avenue won despite a handicap two starts back. Parked outside of the leader with one lap to go in the last but got clearly defeated and was certainly not fit.
