5 Jessie is a nice trotter who comes from a very good victory in the seasonal debut. She is fast and starts in the first circle. Could find the lead. 6 Zally Gel dictated the pace in the lead in the last run but got closely defeated. Is strong and faces easier opponents now. In the mix. 9 Lasses Tara earned some money in the last V75-race. Easier horses today and scored a nice victory earlier this winter. 11 Afrodite Face showed good form in the last run and had energy left at the end despite a mistake. Tighter starts.

5 Aske Faks is nice and has been improved and scored four wins in the last five races. Won comfortably in the lead in the last run and is ready for a new record. 8 Ingbass is also well bred and has won half of his races. He comes from a tough victory in his comeback and will challenge despite this number. 11 Gylden Tor is reliable and has done well this year. Has been at least second in six attempts. This short distance suits the horse well. 7 Östby Saga can open fast and is interesting over the short distance. Had energy left in the last run.

10 Unico Broline earned no less than 1.7 million SEK last year and had a great season. He has got a pause this winter but should normally have top chance to win this. 3 Hironnelle Sibey was heavily backed in the debut for Goop in the last run but was a disappointment. Has one run under her belt now. 7 Kräsj was very talented as a young horse and he still has ten wins in 18 starts. Debut for a new trainer here and should be followed. 2 Billy Idol Jet is gifted but the form is a question mark. Quick pace would be an advantage.

10 Always a Pleasure is a top horse who has won five out of seven starts. He has shown good speed and is really good for this class. Top chance. 5 Yohan Hills is also very successful and so far he has been at least second in seven out of nine races. Should be improved by the last run under his belt. 1 Believe started well last autumn and won also in the front. Could lead this for a long while in this seasonal debut. 12 Zim Sala Bim has not competed since April last year. Has good ability.

7 Twigs Honor is good for this class and even if he was not at his best in the last run he should be the horse to beat here. Will get an offensive journey. 6 Lincoln Abe Boko did well from outside the leader in the last race on Färjestad. Has recharged the batteries after a mediocre effort in the last run. 10 Babsans Bankir won seven races last year and won in the V75 earlier this winter. Can finish fast. Early choice. 1 Solkattens Ferrari has been improved. Scored a sensational victory and put in another nice performance in the race after.

5 Global Billboard was at least second in eight races last year and has scored a couple of splendid wins during the autumn. Our winner in this seasonal debut. 3 Billy Idol prefers to run in the front and won in that position two starts back. Nice task here and will certainly get an offensive start. 12 Velocius Crowd One put in several strong efforts earlier this winter without winning. Easier now and has to be considered despite this poor number. 7 Ad Astra got locked in with energy left in the last run. Could take advantage of that tonight.
