8 Loxahatchee is very exciting. He comes from the US and is making his Swedish debut for new trainer Daniel Wäjersten. He is very well-bred and probably well prepared. Difficult lane though. **1 Warhol** has a nice task. He is fast from the start and our favorite for the lead. Has started this season well. Challenger. **9 Dry Martini** can finish strongly and hopes for quick pace. **7 Hagrid** is coming off victory and is in good form.

RANK

12 Vårblomster galloped half a lap from the finish from the outside of the leader in the last comeback. Came back well and is probably even better now. **1 Sol Flamma** was second to Vårblomster two starts back. Is now driven by Ulf Ohlsson and has a very nice task. Could lead this from start to finish. **2 Nord Jerva** is worth a warning. Was clearly defeated by Sol Flamma in the last race but is in better shape now and has a run under her belt. **10 Sjö Kosa** was second in her debut for Persson in the last race. Run under her belt and should be considered behind our top duo.

1 Crowe Motion galloped in his debut for Wäjersten last time but finished very strongly to a second spot. Has a run under his belt and faces a perfect task here. Banker. **10 Gandalf Brodde** faces good conditions and is coming off a win in the lead. Different starting position now but Mats E Djuse again. **5 Ki Ti Vi** was fourth behind our pick last time and has done well this year. **6 My Vacation** has not won for a while but shown good form. Outsider.

RANK

2 Full Speed Forward was a good runner-up last time and has already won two races this year together with today's driver Ulf Ohlsson. Good draw and quick starter. **8 West Wind** has earned more than twice as much money as our pick. Is on the way up and should be considered early despite this number. **12 Just More Fun** faces nice conditions money-wise as well. Won from the front in the last race but has a poor position now. **3 Staro Roseway** won in the V75 at Östersund last time. Hasn't raced since then and might need the race. Good lane.
