7 Huchuy Qosqo won from the front in the last race and looks promising. Run under his belt now and handles this lane. **1 The Pope** is an early contender too. Won the debut but has not convinced after that. Two starts after castration now and came back strongly after galloping last time. **5 Kipling Sautreuil** was good in two straight races but did not convince in the last one. Is working well and competes without shoes now. **10 Special Ale** is good for this class and working quite well before this seasonal debut.

5 Daddy Pop is a very strong horse who has earlier won in this discipline. However, he did not impress last Saturday. The form is a question mark. **2 Galet Sted** has competed really well under the saddle in France but has not yet reached that level in Sweden. Without shoes now. **4 Västerbo Imtheman** likes to race under the saddle and has also won a couple of races in the France in that discipline. Resumes from a break. **9 Cab Frontline** is also a good horse under the saddle. Tight starts now.

8 Classic Racer has started well and beat promising Huchuy Qosqo in the last race. Tough lane here but with a performance like last time, he has a good chance again. **9 Poetical Trot** is working strongly after a layoff and will probably compete with a closed bridle for the first time. **1 Kiss My Feet** is consistent but does not win very often. She kept up the pace quite well in the last race. This inner lane is interesting since the horse can open fast. **2 Ajlexes Magicwoman** returns after a break and is working well. Quick starter.

Looks to be developing well. **8 Sparkling Power** did well despite tough journeys last year and scored a good second spot in the Oaks Revenge. Seasonal debut and shoes and poor lane now. **1 Pechora Boko** is well-bred but has not won yet. She makes an exciting seasonal debut and barefoot straight away. Quick starter. **9 Pebbles Newport** finished strongly at Vincennes two starts back.

9 Joint Chief has a high top level and is one of the better horses in this race. He was a bit slow over the home stretch but has a run under his belt and competes without shoes now. **10 Eolo Wise L.** had a nice period last autumn and galloped still in the mix in the last race. On the way up? **4 Gordon Brodde** was just closely defeated in the last race from behind the leader against quite good horses. Goes for the front? **7 Picobello** is strong and tough, but it is a bit hard to predict as he looked a bit slow in the last race.
