Volt 2140

6 Van Dijk looked nice before the debut but galloped after 600 meter. Is certainly improved now and without a mistake he is fast enough to win this. 7 Jersey was defeated in the final turn in the debut but got quite a tough start then. Is certainly better now and has to be considered early. 2 Fancynancyclancy showed 16/1900 meter after a mistake in the debut and was brave in the lead in the last run. 9 Patrick Silvio did alright in the debut and is possible too here.

6 Silvertail makes her debut in Sweden and the chances are not easy to predict. Has scored a couple of nice wins though and is our pick here together with gifted Rick Ebbinge. 10 Cash Heavy uses to finish strongly and he would prefer quick pace here. 5 Al Pacino won from outside the leader in the last run and should be on the way up with two runs under his belt. 1 Kinky Steel is better than the latest results show. Has not raced for a while though.

Good chance again here with a similar effort. 2 Pingis has come back strongly after two early mistakes and has good pace. If he avoids a mistake he will fight for victory. 9 Monte Carlo was defeated in the lead with 200 meter to go in the last run. Seems on the way up and has to be considered early here. 7 Blackhawk Face has not convinced so far but is maybe worth a warning anyway here.

4 Peak Princess won directly in the seasonal debut and had energy left after an early lead. Has not been successful in two starts after that but should normally have a good chance here. 2 Rose Hill won the comeback after a longer pause but has not won in three starts after that. Normally an early choice here. 3 Garden Leave has not convinced in both starts this year but has good skills and she should be followed here. 10 Zola Love has not raced for a while and might need this race. Early contender too.

Nice number and he has earlier shown that he handles this distance. 1 Natorp Bo has been consistent and good lately and he is also well drawn here. 10 Don Cash did not convince in the seasonal debut but he is good for this class. If he is at his best he is possible here. 2 Daytona won despite a tough journey in the last run and showed great form. Perfect number and early contender with the right trip.

13 Wild Love has earned more than five million SEK and is by far the most successful horse in this field. Her form is a question mark though and this number is tricky. 1 Jeopardy is ideally drawn and could find the lead here. In that case she will certainly be driven there. 12 Namanga Bo has looked great lately but she has been a non-starter for a throat infection after the last run. 3 Precious Lane is well drawn and should reach a nice position. Is fast enough to win this.

Has been a non-starter after that but normally he should have a good chance anyway here. 12 Izzi's Newport comes from a good victory but needs lots of racing luck with this poor number. 6 Piccadilly has two runs under his belt and is on the way up. Should not be overlooked here. 1 Emma Häggenäs came back well after a mistake in the last run and is in good shape. Perfect number and is possible too here with the right journey.
