RACE 1, V4-1 — Auto 2140

3 Crono Delleselve comes from a splendid win and with a good starting position, he has a great chance of winning. We pick him as the winner. 7 Rossi Garline makes an interesting debut for new trainer Christoffer Eriksson. Tricky number, but he could challenge for the win with a bit of luck. 12 Global Workaholic did well in his comeback race and he has now a run under its belt. Poor draw though. 1 Pre Calculated is ideally drawn and will reach a nice position. Needs some racing luck and is an outsider.

RACE 2, V4-2 — Auto 2140

8 Henri Sisu is a classy horse that now has had a race after a break from competition. Poor number, but still has a good chance. 12 Glad Nock has not been successful lately, but that should not be the only thing to focus on. Has speed and is a definite contender despite this tricky draw. 5 T.Wall's Kastor hasn't won in a while, but that doesn't matter too much. Has a good starting position and is a must-have on our betting slip. 4 Gloria K. hasn't raced in a while, but if in form, has the speed to compete for the win.

3 Sidney Celeber is making an interesting debut for new trainer Preben Sövik. The speed is there, but how is the form after a layoff? **12 Andre Ward** is getting older, but still has some potential. Showed a good finish behind E Type Cash last time out and is a contender despite a bad draw. **8 Lorens Flevo** showed improvement with a second-place finish last time out and seems to be in good form. Has a chance despite a difficult draw. **10 Hurricane Silas** has been performing well lately, although without a win. Can beat many if things go his way.

6 Futteflagfis may not be the fastest horse out of the gate, but can still start well and this task seems interesting. Our pick. **11 Mulberry** is another Danish guest who galloped in his tricky post position. **7 Global Best Lover** is inconsistent in his performances, making it difficult to predict. Still, could be a contender at his best. **4 America Dream** has had some recent gallops but scored a good win three starts ago. Has potential if he avoids a mistake.
