8 Bozeman wins often and is looking for a third win in a row. He won easily from the lead in the last race but faces tougher conditions this time. Good chance anyway. **7 Swish** was second behind Bozeman in the last race after a good finish. 20 meter advantage towards the favorite now compared to last time and can take revenge. **3 Nezza Caviar** won comfortably from the front in the last race. Tougher now but should not be overlooked. **11 K.G.H.Atlas** took the lead with a lap from the finish and won quite easily. Tough draw again but is possible.

5 S.K.'s Månskinn finished quickly to an easy win in the last race after an inside trip. Has good speed and is our pick. **1 H.B. Nikita** won comfortably from the lead in the last race and could reach that position again here. Early choice regardless. **7 Alm Rappa** has been very consistent and good this year. This smaller field is an advantage. Should be considered. **6 Vill Dino** was third behind our pick two starts back but sprinted to victory in the last race. Good form.

6 Dufлот has five wins in 14 starts. Is consistent and good and gets our pick in this fairly open race. **4 Jerry B.R.** is coming off an easy win and has two runs under his belt now. Good draw and early choice. **3 Quiteontime** was second in his comeback in the last race and should be improved now by that run under his belt. Possible. **11 Carat** won easily in the last race after a nice trip. He needs a bit of luck from here but should not be overlooked.

8 Skeie Max wins often and would probably have won last time too but galloped from the lead then in the final turn. Still finished second and is looking for revenge now. Top chance despite this lane. **1 B.B. Pave Faks** won very easily three races ago but has been galloping since then. Will probably take the lead here. **2 Troll Sterk Odin** is not that bad. He returns after a short layoff and is possible behind the favorite. **4 Komens Omer** is worth a warning. Met very tough opposition in the V75 at Bergsåker last time and was really good as fourth. Seasonal debut now.

5 Billiondollar Rags has only one win so far but he has shown good speed. Galloped twice last time and is not reliable. Without a mistake we think he has a good chance. **6 Kaiser Pagadi** was second behind Karat in the last race and beat several of today's opponents. Early choice. **9 Comedy** has taken three wins in a row but was clearly defeated in the last race after a tough journey. Slightly easier opposition now. **2 Asap Go** was third from the lead in the last race just behind Kaiser Pagadi. Good draw and has to be considered.

5 Let Me Go is our pick in a very difficult race. Was third in the last race after a nice journey and finished quickly. **6 Dibaba** won seven races last year but her form is a bit questionable now. She is not reliable but without a mistake she could be in the mix in this company. **2 Evita Jacase** gave up from the lead in the last race and finished fourth behind Let Me Go. Good draw and early choice. **9 One For The Money** took two wins in a row earlier this year but was slow last time. Mats E Djuse this time!
