Really good in the last race despite a poor lane. **9 Olympia Di Quattro** has one run under his belt after a layoff. Hasn't made many starts. Is developing well.

8 Giunco is really good for this class and despite this number eight he should have a good chance of winning as long as he avoids a mistake. **3 Maniac Mom Sisu** started his career slowly but has really improved with winter training. Driven by the trainer now, but still has to be considered. **6 Gunpoint** will be very interesting to follow with an American bike and driven by Carl Johan Jepson. **2 Chardonnay A.F.** has had a bad start in the last two races but faces better conditions here.

4 Gogo was matched in tough companies last autumn and has shown good capacity. Barefoot front, American bike and Benzon are advantages. **8 Like High** has very high capacity, which he showed when he won the E3 Chansen last year showing 1.12.5a/1640 meter. Has not convinced fully since then. Barefoot now. **2 Fira Vendil** did really well last year scoring six wins. Run under his belt now and perfect draw. **6 Mellby Merry** is a bit up and down.
