## RANK

**6 Allegra Avanza** our interesting pick in this fairly open race. He won at this track in mid-February and comes from two strong efforts as third. **9 Athletic Sun** is also trained by Frode Hamre and probably the best horse in this race. Has nine wins and eight second places in 28 starts. Comfortable win from the front two starts back but different draw now. **8 Oksamit W.H.** did well last season but is now coming off two straight gallops in tougher company. Made a mistake on the way to victory two starts back and should not be forgotten despite this poor number. **2 Quantum Tile** had a pretty good season last year and is clearly better than the latest results show. Has a nice lane and is good for this company. Barefoot.

**4 Spang Matoma** won very easily in the debut and scored a new victory in the last race. Still undefeated and our winner. **1 Linde Viking** is the logical challenger. Mistake from the start last time but was completely superior two starts back and won easily in the race before too. Good lane. **5 Löset Loke** galloped straight away in the last race. Easy win in the race before and three starts ago he came back really well as second. **7 Balder Irma** was second from the lead at Årjäng in the last race. Seems in good form and is now driven by Erlend Rennesvik.

**1 Mattex** has had poor results lately but shown good speed for Timo Nurmos. Debut now for Frode Hamre and there are many indications that he will take the lead from this number. Has faced tougher opponents. Our idea! **9 Lynam** has also raced in Sweden. Made his debut for a new trainer last time and finished fourth. Run under his belt now and meets easier horses. **3 Thestarofthesun** was second ahead of Via Castromurro in the last race and is close to his first win of the year. Mostly a place bet here though. **8 Not Over Yet** has taken two wins in seven starts this year. Won comfortably from the lead at this track in March but has got a poor lane now.

**6 Basse Poderoso** returned after a very long layoff in the last race and finished nicely to a second place. Should be even better now and is our pick. **1 Charlie Laross** was not at his best last time but finished well to victory two starts back. Has a good lane and will not be easy to beat from the front. **5 Kid Arc** has won two of eight races this year. Won from the lead in March and will probably do well again here. Contender. **7 India Shadow** won safely from the front in the last race and is in good form. He has a difficult lane now but with the right trip he is should not be overlooked.
