**6 HP Roadrunner** is a quick starter and likes to run in the front where seven of the nine career victories have been scored. The seven-year-old has put in many strong efforts for a long time and is driven by Djuse. **4 Spader** galloped still fighting for victory last time but continued to show good form. This distance is a disadvantage though. **1 Gordon Brodde** is a quick starter and is a lot better than latest results show. Probably an American bike for the first time. **5 Icicle Am** can open fast and will probably get an offensive start.

**7 Global Evergreen** has impressed a lot so far and Jörgen Westholm is very pleased with his horse. Despite this number behind the gate, we expect an offensive trip and a good chance to win this, even if the horse has to do it tough. **3 Feeling Forever** was clearly improved last time and ran a good time for this low class. **10 Last Chance** was strong when winning second last and got locked in last time with energy left. Good form! **6 Keep Rolling F** has shown good speed in between gallops.
