## RANK

**7 Mefisto Faust** took the lead straight away in the last race and then disappeared to an easy win. Gets an offensive start and reaches - which is the main scenario - he will not be easy to defeat. **2 Bee My Clementine** did not convince in the last race but can do better than that. In the mix from a pleasing starting position. **4 Broad Cody** got locked in with lots of energy saved in the last race and should be considered from a good lane. **6 Tinni Love** did well in the last race. Better distance now and could surprise.

Nice starting position and with the right trip from behind he could be the winner. **9 Lykke Maya** has a nice lane for a defensive trip and with the right journey, she will finish strongly. **8 Tidemann** has good speed, but is still without victory and is primarily a place bet here.

## RANK

**7 Dragonfly** scored a good win in the seasonal debut. This short distance suits the horse well and normally he should have a good chance of winning. **3 Lizzi B.R.** is a quick starter and from the front she will lead the race for a long time. All the way? **5 St. Raphael Decoy** has a run under his belt after a long layoff and is starting to get closer to top form. In the mix. **2 Leandro Boko** likes these conditions and he could be good enough to win with the right backs.

## RANK

**3 Stackin' Chips** has been at least third in five starts this year. Good starting position and should have top chance. **4 Feeling Superb** gave up in the last race after an early attack. Prefers a trip from behind and will challenge for the top places. **9 Milltribute** got defeated in the last race after an outside trip. More defensive journey this time and can finish strongly. **6 Emiliano Jet** has won a race and competed barefoot then - just like he will race now.
