6 Thai Eros got a trip from third on the inside in the last race and found room with 150 meter to go but just kept up the pace. Can open fast and will probably find the lead here. 8 Conquistador B.R. scored a good second spot behind Deep Sea in the last race. Poor number but faces quite easy opponents. 2 Tiffany Yellow had to run outside of the leader in the last race and scored a comfortable and strong win. Faces tougher opponents here. 7 Handsome Hank got a tough journey from outside the leader in the last race. With a better trip he is possible here.

8 Quick Lunch attacked early in the last V75 race and finished well to a second spot. Has shown good form lately. Poor number but should be the best horse here. 10 Gigant Stephen finished well to a fifth spot in the same race as our pick. Is worth a warning and the main challenger here. 6 Thai Cercei competed in the same V75 race as our top duo and suddenly galloped with 300 meter to go. Without a mistake she could be in the mix here. 4 Lesotho Promise failed in the last start and can do better. Resumes from a short pause now.

6 Kleppe Vesten made his comeback in the last race and won third behind Borkeld. Attacked with one lap to go and will be improved by that run. 9 Sambo Ø.K. has not raced for a while but is a very good trotter for this class. Should be considered early here. 12 Flytin finished well in the last race but came too lately. Was close to win in the race before. The seven-year-old is possible. 2 Gompens Hønk has good speed but gallops often (double mistake in the last race and also over the finish). Finished well to a second spot three starts back.

6 Quality Commander was a disappointment from second on the outside in the last race and was already slow in the final turn. The only three-year-old in this field. Is still inexperienced but we know he can do better. 8 Prado has not raced since October and despite this poor number he is an outsider directly here. 3 Straight Line is probably the best horse in this company but he is not reliable. Has not competed since March. 10 Miss Samara galloped directly in the last start. Was third in both April and May and did alright.

6 Burning Love E.P. galloped with 150 meter to go in the last V75 race on the way to quite a good result. In the race before he found the position outside of the leader with 1300 meter to go and scored a good third spot. Nice chance here. 8 You Love competed a lot in May and got a short break before he was fourth in the last race. She has been consistent and good and will be in the mix again. 10 Bolero found the position outside of the leader after a tough start in the last race and kept up the pace well to a third spot. 3 Watchdog won in the lead but the first circle had only two horses then.

7 Tangen Trygg failed in the last race and gave up from outside the leader in the final turn. Before that he had put in a couple of strong performances. Should have a good chance with a similar effort here. 9 Langlands Odin is the main challenger. The horse has met tough opponents and can finish fast with the right journey. 1 Ask Viking got a tough final lap in the last race and with this number he should have a better trip here. 4 Neslands Faksen has done well in the last three starts. When he won he took over the lead with 1350 meter to go and scored a close victory.
