7 Ferret is our pick in this rather weak race. Has only won once in 20 starts but is in good form and won at this track in June. **2 What Time Is It** was third behind Ferret in March. Started the year strongly but was not at his best last time and has had a layoff. **5 Rexita** took her only win from the lead in May and comes from a decent performance as fourth. Early choice behind our favorite. **1 Undercover O.** faces the best conditions and will probably get a good trip from here. The form is a bit of a question mark.

4 Troll Sterk Bork has won nine of 14 races and has taken two wins in a row after a long layoff. He has a much better number than the main challengers and should have a good chance. **10 Mjölner Flaksen** won the last race and was second behind Troll Sterk Bork two starts back. Chases revenge but has got a clearly worse lane. **9 Alm Mostar** won five out of ten races last year. Is gifted but not entirely reliable. Came back brilliantly after a gallop two starts back. **7 G.Elden** has shown good form of late and is at least an outsider here behind our winner.

6 Kya Xana has started well and finished nicely to a close win in the last race. She beat several of today's opponents and gets the tip here. **7 Targaryen M.B.** was the favorite in the last race but got clearly defeated by Kya Xana in the last race as fourth. Chases revenge and should be considered early. **1 La Dahlia** has started well with a second and third place. Has a 20 meter advantage towards our top duo and an excellent lane too. **3 Come Harmony** faces also better conditions today. Was fourth behind our top duo last time and is looking for revenge.

1 Fjellkos Brage is not reliable but won the last race despite galloping. Probably the best horse and should have a good chance if he avoids a mistake. **6 Motveit Faksen** is a challenger. He won in mid-May and defeated several of today's opponents. Has to be considered with the right trip. **8 Eikrappen** gallops a lot but has quite good speed and should not be overlooked despite this poor starting position. **10 Fjellkos Borka** has galloped towards the end but had put in a couple of good efforts before that. Hopes for quick pace from here.

1 Stilige Odin wins quite often and has shown good form of late. Was brave as third last time and should get a nice trip from this lane. Our pick. **4 Eld Rapp** has won half of 24 races and been successful this year as well. Galloped in the last race but should normally have a good chance here. **5 Svenn Ö.K.** galloped from the start in the last race but put in two good performances before that. Should be considered early on. **7 Ask Vking** earned the most money last year and has done quite well this season. Possible but needs a bit of luck.

1 Pensacola doesn't win very often but comes from a good second place against tougher horses and has got an excellent starting position. Our winner. **2 Hurricane Hydrup** did alright last time against better opposition and had done very well before that. Good lane and early choice. **4 The One And Only** won seven out of eleven races last year. Not as successful this season but shouldn't be discounted here. **8 Piece of Raja** has a difficult draw and needs a bit of luck but he is good for this company and possible with the right journey.
