RANK

7 Felicia Hall has not won yet this year but she has a nice task here together with Per Lennartsson. Coming from a good third place and is used to tougher opposition than this. **4 Whammy** is a quick starter and was second from the lead last time. Run under her belt now and is driven this time by talented Fredrik Plassen. Hasn't won for a while. Her turn now. **8 Dats Milian** has met better horses lately and done well. Has a difficult lane but opens fast and could reach a good position. Early choice. **12 Deeply Express** never had a chance from far behind in last comeback race. One of the better horses in this race but hasn't really lived up to the expectations this year. A bit hard to predict.

4 Hallabaloo took three wins in a row earlier this year and has been in much tougher races since then. Has a better lane than his main rivals. Probably gets an offensive trip by Fredrik Plassen. Good chance. **8 Electric Grace** comes from victory and seems in good form. Has a difficult lane and needs some racing luck from here. **9 Green Dream** has not won yet after 19 starts but showed good speed after the last gallop. A little easier opposition than at the end and is now driven by Björn Goop. **6 Roy** has done well this year but galloped last time. If he avoids a mistake he is possible in this field.

6 Max Montana is our idea in this tricky race. He did well last year and has put in several good efforts this year but had some bad luck. **5 Husar Brick** is a contender. He returns after a layoff and now driven by Björn Goop. Can open fast and is our favorite for the lead. **4 Xander** won four out of eleven races last year but hasn't quite lived up to that this season. Is fast and should get a nice trip from here. **11 Patrick Hangover** is good for this field but has not really lived up to the expectations at the end. Hopes for quick pace from this number.

11 Tiberius clearly earned the most money last year and is probably the best horse in this tricky race. Coming off a good performance and had met tougher opposition before. Our winner. **8 Sultan Sea** has six wins and seven second places in 27 starts. Has done quite well of late and is now driven by Björn Goop. Offensive start and might be allowed to take over the lead. Good chance then. **2 Satsuma** won a V85 race earlier this year. Got locked in as third last time and has changed trainer since then. Now driven by Per Lennartsson. Good lane. **9 Miss Lynx** has had a decent season so far and is a little better than the latest results show. Barefoot and could surprise but needs a bit of luck from here.
