5 Zingaro Boy likes to race on the Bro Park dirt and prefers to be ridden by gifted apprentice Alina Öhgren. Our pick in this open handicap. 1 Farhh Out faces quite easy opponents here but the two wins so far were scored over 1400 dt. Early contender. 2 Rhodium Star failed in the last race on the Bro Park turf. However, the horse has two wins on this surface over this distance. Outsider. 9 Alsimsaam is not chosen by Ulrika Holmquist and the change from side winkers to blinkers is interesting.

1 April Song might find this distance too short but she is in good shape and has earlier won together with Carlos Lopez. 8 Nikki did well over this distance on turf in July and the only victory so far was scored on dirt. 5 Spring Moon is a three-year-old who has put in a couple of quite good efforts so far. Is still developing well. Outsider. 7 Hawker Hind is a five-year-old mare who makes her seasonal debut here. Was closely beaten by April Song in the second start of the career. Possible.

7 Vila Nova has been matched against tough opponents lately. Easier task today and this apprentice claims two kilo off. 9 Odd Type won over these conditions two starts back together with Jacob Johansen and showed good form in the race after too. Main challenger. 11 Mojave Ghost got a very tough trip in the last race. Had shown good form before that too. Place chance. 4 Bearwinner did not convince in the last race in Malmö. Prefers the full distance on his home track and is possible in case of quick pace.

5 Uppuppandaway comes from a good performance over these conditions just closely defeated by Forward Focus. Faces better weight conditions towards the latter one today. Our pick. 3 Forward Focus won over this 1200 dt and put in a couple of strong efforts after that. Main challenger. 8 Exceed Pleasure is a promising three-year-old filly who was second over these conditions a bit behind promising Soulofchess in May. 10 Cobacabana won on the Gothenburg turf but did not impress in the race after on the Örevoll dirt. The chances are not easy to predict. Outsider.
