1 Ramstad Stjernen has competed in good company lately and done okay in a bit behind the winner. This time he faces nice conditions and the opposition is quite mediocre. Good chance. **3 Torø Rasmus** has not been at his best lately but owns good speed when he is at his best. **2 Alf Martin** was fourth behind Ramstad Stjernen two starts back. Perfect draw. **9 Schufaks** doesn't win very often but has good speed. With the right journey from behind he is possible.

13 Voje Lotta is perhaps Norway's best cold-blood filly. Has impressed and despite this tough handicap, she should have top chance. She will run barefoot now. **10 Øina Perla** faces better conditions than Voje Lotta compared to the last start. Contender with the right trip. **14 Troll Sterk Faksine** did well behind Voje Lotta in the last race. Needs some luck and is possible if the favorite has a bad day. **7 Bjørlimindi** wins often but faces tougher competitors now.
