5 Lugano Cortina won straight away in his debut and finished third in the last race. Driven by Björn Goop again here and gets the tip despite a bit of a tricky number. **4 Mackenzie Bro** has also started with a first and third place. Markus B Svedberg's horse is driven this time by Simon Helm and should be considered early. **3 Janis Zet** scored a good win in August but hasn't convinced since. Can certainly do better and is now driven by Rikard N Skoglund. Good lane. **10 Lucky Luciano N.O.** took his only win so far at this track two starts back. Carl Johan Jepson is driving this time and that is really interesting.

5 Gomnes Prinsen has two wins in a row and won very easily in the last race and looked nice. Makes his debut in Sweden here and should have a good chance straight away. **4 Nolle Ö.K.** has never competed in Sweden either. Comes from a third place in Norway and is driven this time by Carl Johan Jepson. Exciting. **14 Vik Tor** won by a wide margin at Årjäng in August and is definitely good for this field. A bit tricky number but normally he is in the fight for victory. **9 Vimo Borken** has a win and a third place in Sweden and likes to compete here. He gallops a lot but if he avoids a mistake he can surprise.

11 Blue Boy Face made his debut for Daniel Redén in the last race after a very long layoff and won straight away. Should be even better now and we believe he has a top chance despite this number. **4 B.T.'s Vencor** is a good challenger from Magnus Jakobsson. Has shown good form of late without winning and has got a good lane. **5 Julius Cortina** is coming off a slightly surprising win at Solvalla. He is Björn Goop's choice in this race and should not be underestimated again. **1 Hidden Dragon** is also trained by Björn Goop. Was second at this track together with Per Linderoth in August. Faces tough conditions money-wise but will probably get a good trip.

5 Tailor Hill gets the tip in this stayer race. Has made two starts in Sweden. First he was second in the V75 at this track and last time he was not empty as seventh in the final. A bit easier now. **4 Kind of Blue** is in top form. Won two starts back and was brilliant from the outside of the leader last time. Is strong and likes this distance. **10 Alberdi Wine** wins often and has also been matched in tougher races. Needs a bit of luck from here though. **7 Pronto** makes his debut for a new trainer. Has competed in the Netherlands and will be exciting to follow here together with Kristian Lindberg.
