3 Beartime seems in good shape and deserves a victory. Faces nice conditions and is well drawn over this short distance. Our pick. 6 Payet D.E. was brave in the lead in the last run and handles this short distance. Has been a non starter after the last run though and the form is a question mark. 4 Kaptah is driven by Örjan Kihlström for the first time. Comes from victory and should be considered quite early here too. 9 Manuzio Hanover is better than the latest results show and got locked in with energy left in the last run. Warning now.
