5 Jiminy Brick is a 4-year-old who has taken a long time to develop and he has been anything but reliable so far. The horse has very high capacity and despite some tough opponents he will probably win this without a mistake. **14 Romulus Diablo** is the main challenger. The horse has three wins in a row and is still undefeated, but he faces a 20 meter handicap. **6 Storma** is ideally drawn. **7 Ies Ingusmemory** is a place bet.

7 Makalu Doc is very good and uses to face much tougher opponents than these. However, he has not been at his best for a long time and is now making his first start in three months. He likes to be driven by Ulf Ohlsson and should have a good chance, but there are question marks. **4 Kapten Nemo** is in good shape and was a nice third at Åby last time. Has been matched in good company most of the time. **2 Red Hot Roadster** is very consistent. **3 Zeolit** has done alright and could be a place bet here.

2 Readly Winner has impressed so far. Is strong and has the right attitude. He can do it tough and among quite slow starters he is our pick to take the lead early on. **6 Bruce Braylon** is also gifted. Is more strong than fast, so this long distance suits the horse well. **5 Orion** owns good speed and is an early contender with the right trip from the back. **3 Sundancekid** should not be discounted either despite tougher opposition.

4 Vinner Lilja is now driven by Carl Johan Jepson instead of the horse's owner who has been driving lately. Very interesting of course and in the lead, the mare has won five out of eight attempts. As the favorite for the lead, she has a good chance. **1 Lille Rose GL** has won three of six starts for Oskar Kylin Blom. Is developing well. She can challenge for the lead, but otherwise gets a nice trip from behind. Early choice. **9 Myllkärr Christina** has quite good potential and should not be overlooked here. **11 Läckra Lizzie** has been consistent and good.

10 Capricon Trot did well as fifth after a tough trip from first over in his comeback. Didn't really like the track then. Tricky number but he should normally have a nice chance of winning. **9 Evergreen Bar** should be improved a lot by the last race. Tricky number but he should be in the mix here. **8 Amazing Moment** would probably have won without the gallop in the last race and has shown top form. **12 Ajlexes Oyecomo Va** can get a very fast start from this handicap.

Good for this class and has an exciting starting position. **10 Who's in Charge** has performed well almost every time lately and can finish fast. **2 Crazyandwild** is a quick starter and has a perfect lane. 6 Ness Tjo Tyr has developed really strongly this season as a 6-year-old and has put in several strong performances lately. Probably gets an offensive trip here. He has the best chance in this field. **1 Kringelandisak** is in good shape. Won the last race despite a mistake from the start. He should have been improved by that. **3 Bleke Borken** wins often and has 15 victories in 19 starts this year. Can do it tough. **10 Svarte Petter** finished with energy left in the last race. Will probably get an offensive journey from here.

American bike is a clear advantage and he can win it the tough way. **5 Fahrenheit** has done everything right lately.
