**8 Dufлот** has won twelve of 28 starts and scored three wins in a row. The horse can do it tough and despite a disappointing starting position, he should have top chance in a mediocre field. **10 Italy** has put in three strong performances lately and is the one who has shown clearly the most apart from the favorite. **3 Swish** hasn't started for a while and his form is a question mark. Should not be overlooked anyway. **5 Balder Face** is a place bet here.

**3 Skjegge Rosa** was not at her best in the last race and is not reliable, but if she is as good as when she won four races back, she should have top chance. **10 H.B. Nikita** failed last time. Has taken a break after that and is certainly a lot better this time. Good capacity and the mare should have a good chance if improved. **11 Farsklars** has a run under his belt. **9 Sjøli Dotten** is possible too if avoiding a mistake.

**10 Bragd** has been consistent and good. He faces very tough conditions money-wise, but owns good speed. Our pick. **5 Skjegge Svarten** faces tough conditions as well but has done well this autumn. Hasn't started for a while but is still an early contender without a mistake. **1 Kringlers Roskva** has good capacity but is up and down. Scored a nice win in the last race. In the mix with a similar effort. **4 Øyans Storm** is possible too but needs some racing luck.

**9 Iver Mollyn** has two run under his belt after the break and has been really good in both starts. His form should be good and that is one of the few form cards in the race. Relatively sure of his legs and should be seen as a good chance. **6 SK's Månskinn** has not started for a long time and his form is therefore a question mark. The capacity is there to be sufficient. **11 Birk Piril** has been competing in racing under saddle recently. Can do a bit, but needs to show improvement. **8 RMG Sommerfugl** is quick on his feet. When Behind the favorite.

**3 Carat** did well from the first over in the last race. Is very quick starter and has "finally" got a good starting position to use that ability. From the front he should have a good chance of winning. **2 Harpos New Yorker** has two wins in a row and has done well. Opens well and if he can hold out Carat his chances of winning increase significantly. **9 Tickettothemoon** has shown good form. At the slightest luck. **5 Eight Mile** hasn't been at its best lately. If improved.

**9 Seventh Key** has made two starts under new trainer and has done quite well, last time second behind a superior winner. Coming more and more and still relatively easy conditions money-wise in the class. Given in the fight from this lane for a defensive trip. **10 Kumiko** had a tough trip in the last race and went silent at last. Showed good form before that and is one of the hotter ones. **2 Kaiser Pagadi** is not reliable at all, but has the ability on the days he wants to go flawlessly. **1 Nappa Hall** does it well and evenly.
