## RANK

**7 Twenty Dollar** galloped straight away in the last race, but made a strong comeback before that when he was able to win easily. Good for this class and should have a nice chance of winning. **1 Speedy Vincent** opened the season by winning from the lead and if he can get there again, he could score second victory in a row. **8 Limited Classic** faces good conditions money-wise and should not be discounted despite this difficult starting position. **6 Emir Diamond** has a run under his belt and will be improved now.

## RANK

**3 Lyckans Starlet** galloped straight away in the last race. The previous time the mare won with energy spared and with a similar effort she has a good chance of another win. **7 Unique Perfection** is consistent but has only one win in his career. Could cause a surprise with the right trip. **9 Unique Chance** is in good form and could be a threat to our top duo with the right journey. **5 M.L.'s Dynamite** started his career well, but hasn't convinced lately. Is fast enough to fight for victory.

## RANK

**10 Umakemydream** has three wins in a row and is developing really well. Tricky number here, but the horse is really good for this class. Should have top chance. **9 Queen Of Dodo** is consistent and has been in the top three in 16 out of 21 races. The main challenger to our pick. **1 Capax H.** is in good form, but has to compete with shoes and that is a disadvantage. **2 Fire Meet Gasoline** is consistent and reliable, but is primarily a place bet here.

**3 Jonny Le Rocker** has put in consistent efforts. Likes this distance and has a nice starting position. Should have a good chance to win. **12 Musical Sun** did alright last time but was even better the previous time when he finished third without finding a real opening. Is driven from behind and could pass them all. **6 Grande Drama** took a comfortable win in the last race despite a tough journey. Quick starter and normally in the fight. **7 Pamelas Dream** is the most successful horse in this race but needs a nice defensive trip here to be able to use her speed.
