4 M.T.Ramos galloped directly in the last V75-start. Sharp as fourth after a mistake on February 23 and positive as second on Solvalla before that. 8 Hyannis Port is a bit slow but has good strength. Back after a break here. Won with a safe margin two starts ago, early contender. 6 Global Ufo has got a pause and starts here with a new trainer. One victory so far, scored in 2021 in an elimination heat for the German Derby. Must be considered. 5 Wilson Laylock has had a pause leading up to this race and got a new trainer. Maintained good speed as second two starts back.

5 Rocket Snapper has been performing well in most of his recent starts. He won easily two starts ago and was unlucky to finish third last time when he had a lot left in the tank. 7 Tarmac won narrowly in his latest outing and looked like he had the race won when he made a mistake in the stretch on February 27. He should be an early contender in this race. 13 Father Simon is well placed in this race after a break. He has four wins in 21 starts and won in the front in V75 on August 20. 2 Eau de Vie Eagra hasn't raced for a while. He has good ability and has won two of seven starts so far.

8 Abbys Wise As may be ready to shine now, faces nice conditions money-wise in this race. Was not far off finishing second last time out, and was not empty at the end in the V75 on December 31. Top chance. 12 Jank Summerland is known for his strong finishes. Finished well to third in the last run (close to second place). Should be considered despite this starting position. 10 Suarez is a solid horse that hasn't raced in a long time. However, the impression he gave in a recent qualifier was quite appealing. 5 Zocoloduro O.P. wins often (twelve victories in 37 starts) and has finished alright to a third spot in his recent races.
