5 King of Djazz is a capable trotter that has a pretty good record and could be a winner right after the break. 6 Pre Calculated did not show anything extraordinary last time out, but finished nicely to victory the time before. Good enough for this company and a possible winner. 4 Bicc's Avalon has shown good form lately, finishing well last time and would have placed high if it weren't for a gallop at the end on March 1. 8 Come Along is more strong than fast. He performs well when at his best and should not be underestimated despite being up against tough competition.

2 Roxanna is a promising horse that has not finished worse than third. She looked good when winning easily two starts ago and finished a good third despite a gallop last time out. 7

Damavend is a horse with a lot of potential. She finished well for second place last time out and won four starts ago with Conrad Lugauer as the driver. She could be a strong contender. 9

Yara Dream has three wins in ten starts and led the race for a long time before finishing second last time out. In the mix after the break. 5 Aperfectcandy failed in the last race but finished well to second just closely defeated on Åby in the race before.

3 Cocktail Cake has started well for the new trainer. Won directly two starts back and led the last race for a long while finishing second. Our pick. 1 Havbergs Djali started the career well with two wins in a row and comes from a nice second spot. Nice number here directly after a layoff. 6 Caton won directly after a pause in the last run (first victory in his career). Showed good strength then and has to be considered here too. 9 Itunes has won two out of four starts and was outstanding in the debut. Has not raced for a long while now and debut for a new trainer here.

7 Roofie is very good for this class and seems on the way up after a long pause. Got locked in with plenty of energy left in the last run. 3 Humble Stance is strong and finished well to a close win over the long distance two starts back. Early contender here. 1 Global Best Lover is all-round and has good capacity. Is well drawn in this comeback after a layoff. Should be considered. 8 Lorens Flevo has not won for a while but is gifted. His main achievement was the victory in the German Derby.
