6 Old Maid Boko has done well so far. This is the seasonal debut, but if the mare is even close to her top form she has a good chance here.

8 Piernas Largas has won two out of four races. Nice impression in the last race and should be considered. **2 Lion Mearas** comes back after a break and is good enough to be considered straight away. **1 Decibel Brodda** was weak in the last race but scored a good win before that.

3 Blixt Lane makes an exciting seasonal debut. Can open quickly with the circular start and from the front the horse has taken the only victory so far. Good chance to lead the race all the way despite the lack of a run under his belt. **8 JC** gave up in the last race over more than three laps. Very nice the time before and is good enough to challenge for the win. **6 Thundrfrmdownunder** is consistent and will be in the mix if he can save her speed for the home stretch. **7 Dual Communication** never had a real chance in the last race. Good form and should be considered.

1 Hobitten Shadow did well in the seasonal debut. Can open quite fast and should have a good chance to find the lead and is then the horse to beat. **5 Misty Dragon** was good in her Swedish debut two starts back but was weak in the last race when she failed as a big favorite. Normally challenges for the win. **6 Otto Soto** has not convinced in both starts this year. Good for this class, but may need a few more races before finding top form. **12 Le Roi** looked nice in the last race but got locked in. Could cause a surprise despite this starting position.

2 The Rising Hope galloped in the last race but looked nice otherwise. Now she could reach the front and in that position she is unbeaten after two attempts. Leads the race for a long time. **5 Marjan Black** won outright in the last comeback on Swedish soil. Capable and good enough to finish to victory. **9 Queen Of Power** looked nice in the seasonal debut and is probably even better now. Will challenge for victory. **3 Canola** showed good speed last year. Interesting seasonal debut for a new trainer.

4 Oberon Warframe put in a great effort in the last race and showed top form. Should have a good chance if he handles this number. **1 Patrick Hangover** has two runs under his belt and barefoot he should be seen as one of the favorites in this race. **8 Rendez Vous** finished strongly two starts back in a V75 race won by Kyrie Eleison . Normally passes many opponents during the final lap. **3 Ett Under** won an easy race last time. Is mainly a place bet.

Barefoot for the first time is interesting. **4 Spring Waltz** won easily in the last race and will put in another strong effort.
