RANK

12 Arpi Broline has put in two strong finishes in a row and is in good form. Easier opponents than last time. **11 Fantasy Sensation** had not competed due to an injury before the last race but looked nice over the finish without getting a real chance. Better with that race and down in class. **8 Macho Man** came back well after the last gallop. Good form. **9 Donna As** got locked in with a lot of energy saved in the last race and is a very capable mare.

RANK

11 Kiwi Sisu didn't like the track in the last race and got an impossible trip. Brilliant before that and a perfect task here. Banker. **4 Dalens Elvis** is a bit up and down but has a high top level. Nice conditions here. **7 Francis Coccola** reaches the front almost every time from behind the gate and has a good chance of doing that he as well. Leads this for a long time. **9 Crazy J.Lo** has two straight wins but faces tougher opponents here.

RACE 8

V64-5

Auto 2140

RANK

4 Every Day Elegant is our pick in a race where the best horses face tough conditions. Is working well and could reach the front. **12 Devils Tongue** won easily from the lead in the last race and has two wins in a row now, but he is not as good from behind. **11 Lindysmusclemania** does not trot perfectly. Cheap victory two starts back and he failed in the last race. **10 Underbarosåfin** could cause an upset. He is clearly better than the latest results show.
