7 Albacete was heavily backed in the debut but did not convince. Has got a shorter break after that and this number seems nice. Our pick. 2 Aristoteles Face has good speed but galloped twice in the debut. If he handles this number two in the circular start he has to be considered. 6 Perfect Score Ås does not always trot well. Seems really fast though and is an outsider here. 8 Jeppas Uppercut will probably get a nice trip in his debut and should not be overlooked.

Had a strong seasonal last year as a four year old. Has to be considered. 5 Veiled has been consistent and good this year. Banker. 2 Spirou Skift put in a couple of strong efforts last autumn. Has to be considered directly. 2 Noriskitnobiscuit is consistent and good. With the right journey she should be followed this time. 4 Global Boost has been on the way up lately. Good chance if he will be allowed to dictate the pace. 1 Mellby Ironman can open quite fast and will certainly go for the lead here. Has started this season with two wins and should be considered early. 7 Don't be Weak attacked early to the position outside of the leader in the last race and scored a good victory. She has won nine out of 13 races so far and looked nice from behind the leader in the last start. 3 Pastorns Lady prefers the short distance but she was improved after a pause in the last race and has to be followed. 1 You Could Be Mine is better than the latest results show. Our pick. 12 Civilon has not raced since July last year. Is really good for this class and has to be considered directly despite this tough number. 2 Call to the Bar won directly in the seasonal debut and looked nice. Should be improved by that run and this number is nice. 3 Cuenca has put in three strong performances this year. Seems still on the way up.

Our pick. 4 Amornero Roc won after an early lead in the last race. Has been a non-starter after that but is well drawn and should be considered early together with Kihlström. 8 Zaffiro Roc is poorly drawn here and will find it hard to win this. Is nice though and will fight for a place here. 1 Danilo Brick had this number one in the last race and galloped then fighting for the lead. Is good enough to be in the mix here.
