RACE 4 — GS75-1 — Auto 2148

1 Sandokan showed good form last time. The capacity is high and he faces quite easy opponents here. Might get a tough journey here but should have a good chance to win this. **5 Grant Hall** won directly in the comeback and is probably even better with that run under his belt **7 Staro Peanut** likes to run in the front and should the gelding get there, he could lead this throughout. **2 Flirting Diamond** is up and down but can do it tough when he is at his best.

5 Nyras Lars R. is good for this class and has three runs under his belt now after a longer break. The horse made it to the Kungapokalen last year, so the capacity is high. **11 Townshend Broline** was strong last time three wide during the last 850 meter and beat Gloster Gladiator then. **6 Chip Shop** could get a good trip and becomes very dangerous with an opening in time.

RANK

3 Nevio Boko met tough opponents at the end of last year after the nice win he scored four starts ago. He is a fast starter and if he comes to the front, he is the horse to beat. **2 Autumn Shine LA** has taken both of her wins from the lead and is very fast from the start. **1 Bouquet Brodde** will probably not be able to find the lead with this number one, but with the right journey he will be in the fight for victory. **10 Bearnard** is not reliable, but has good speed and won the last time he avoided a mistake.

Could find the lead here and should be considered directly in the debut for a new trainer. **9 MT Tomorrow's Hope** has become a lot tougher and could get a nice defensive journey with this number.

2 Holly DK has shown great form since the start of this year. She can open fast and should have a good chance to find the lead. In that position she will not be easy to defeat for the opponents. **8 Famous Scotch** has good speed and with the right trip from the back she can defeat many horses here. **9 Global Empress** has more to give and should the four-year-old would live up to her capacity, she can challenge. **1 Proud Mary** should not be overlooked and could get a nice defensive trip with this number one.
