5 Chelsea is our pick in a difficult apprentice race. She wasn't at her best last time but has a run under her belt now and can take the lead from here. **6 Specification** did not convince last time either but can do better. He can open fast and should have a nice trip. **7 Ares Maanos** has not won yet but is not that bad and faces easier opponents than usual. However, he has not raced since November. **9 Speedy Star Vicane** also returns after a layoff. He is driven by his regular driver and that is a clear advantage.

9 I.D.Hellofagirl has not started for a while but is very interesting in her debut for Maria Törnqvist. She should be considered directly with Jepson and is a possible banker despite this lane. **10 Global Evidence** had a difficult lane in his comeback last time out but finished quickly as third. New driver. **1 Neaty** won from the lead two starts back. Difficult draw last time but will probably get a good trip from here. Early choice behind the favorite. **5 Mila Kunis** was a good runner-up in the last race and has two runs under his belt now. Tricky number but should not be overlooked.
