2 Zätamustangen reached the front in the last race, but gave away the lead after a while and then got locked in with energy left. Nice number and this time the seven-year-old will probably be tested in the lead. **1 Portofino** lost pace in the last race and it costed him a podium place. Will be improved by that run and should be considered with the right trip. **8 Ajlexes Hans** was strong in the last race and continues to show top form. Poor starting position but should still be followed. **6 Hidalgo Simoni** is a quick starter and is possible too. Could surprise with the right defensive journey.

3 Juni Blixt won easily in his seasonal debut. The seven-year-old can open quite fast and from a perfect starting position he will probably be in the lead in or around the first turn and then he will be very difficult to beat. **2 Kalmar** finished well in the last race, but was still a bit behind winning Juni Blixt. The main challenger to our pick. **5 Frivoll Gorm** has not convinced in two starts this year. Speedy but the form is hard to predict today. **7 Tekno Jerven** is a bit up and down in his performances. Good finisher and is normally on the podium.

6 Perfect Dream is a quick starter and there are many indications that he will be in the lead towards the first turn and in that position he is unbeaten after two attempts. Good chance to lead this all the way. **4 Sacrebleu** can also open well but will still have difficulty to hold the lead. Normally in the fight for victory. **9 Kipling Sautreull** is strong and can do it tough. He will pass most of the rivals here. **3 Lugnets Ametrin** is undefeated in the lead and if he manages to reach that position, his chances will increase.

3 Pellpers Mårten is a quick starter and is in the lead shortly after the start. Regardless of Jan-Olov Åberg 's choice of tactics, the eight-year-old should be seen have a good chance of winning. **1 B.W.Jackpot** gallops often, but if he manages to avoid a mistake, he is good enough to fight for victory. **5 Gargamel** owns great speed but is not reliable. He should be considered early. **6 B.W.Birger** makes his seasonal debut and competes with an American bike for the first time, which is extra interesting.
