3 Ottens Hero faced a 20 meter handicap but found the position outside of the leader quite early and took the lead on the home stretch. Good chance again. 6 G.K.Justus scored a good fourth spot in the V75. Is strong and can do it tough. Main challenger. 9 Claude P.Hill is in good shape and this number number could suit him well. With the right trip he could score the third win of the year. 10 Cab Frontline never got a real chance in the last V75 race and we forget that one. Is good enough to be in the mix here.

1 Sölvsveds Atlas was interfered several times in the last race and we forget that one. Scored a couple of nice wins before that and he is our pick. 3 Mjölner Apollo wins often and scored six victories in 14 races last year. Interesting now after a short pause. Early contender. 2 Månbest A.M. has three second spots in a row but seems to have the right attitude anyway. Will soon score the first win of this season. 6 Järvsömalla made his first start for a new trainer in the last race. Looked nice after a long pause. Warning this time.

12 Havglimt won the Swedish Derby and was second in the Norwegian one last year. Very interesting seasonal debut now and our pick despite this break. 7 Tekno Viking is in great shape and seems to develop well. Has got a 20 meter advantage and could be hard to reach here. 10 Mo Sjur won a V75 race last Saturday. If he handles that he should be considered early here as well. 9 Järvsö Elling was fourth in both the Swedish and the Norwegian Derby last year. Should get a nice trip with this number. Outsider.

11 Bugatti Miles is our pick here. He finished just over 11/1000 two starts back and scored a nice fifth spot against tough opponents in the race after. 4 Berra Steel is the main challenger. He comes from a third spot in the V75 and is well drawn behind the gate. 13 Ajusco has put in a three strong performances this year. He can do it tough and will go around many opponents here. 12 Zack Bris resumes from a short spell. Is good enough to go around many opponents here if he lives up to his capacity.

4 Guli Rubin showed good form in the last race and finished strong in a new record. Uses to meet tough horses and is our pick here. 7 Steinfaks got a tough trip outside of the leader in the last race and gave up at the end. Is speedy and has to be considered early. 2 Demex did not find an opening until on the home stretch and looked nice. With more racing luck he is possible here. 9 Pydin is a bit up and down but when he lives up to his capacity he is one of the better cold blood horses. Contender.

10 Conrads Rödluva looked a bit slow in the seasonal debut but might have needed that race. She is really good for this class and despite this back row draw she is our winner here. 6 J.H.Mannerheim has two straight wins. Won in the front in the last race and could find an early lead here as well. 3 Golden Tricks did not convince in the seasonal debut. Is well drawn behind the gate and this short distance suits her well. 7 Global Adventure has got a tricky number here. With the right journey he is good enough to be in the mix here.
