6 Sofies Case was defeated after a couple of wins in a row in the last race but put in a strong finish anyway. Our pick in this tricky number. 1 Miss Silver finished well on the open stretch in the last race and is in good form. Is good for this company and this number is nice. 9 Make More Cider has run two races for the new trainer. Was brave from outside the leader in the last race. Could get a nice trip here. 2 Feerie de Fael is interesting here after a winter in France. Has only scored one victory but at the same time the horse has met tough opponents.

3 Al's Starlicious is our winner in this race for three-year-old fillies. Galloped on the home stretch on the way to a second spot in the last race. Good chance without a mistake. 6 Västerbo Garonne was brave in the lead on April 11 but failed in the last race. If she lives up to her capacity she is an early contender. 2 Mirella Zaz is chasing the first win. Can open fast and will certainly get a nice trip here. Good place chance. 4 M.T.Ravishing has galloped lately. Is quite fast and when she is at her best she is an outsider here.

4 Marre's Dreamboy won the seasonal debut on March 19 and looked really nice. Was not as good in the last race but this distance is the right one. The horse is good for this class. 6 Galileo Journey has won seven out of 15 races so far. Was brave in the lead in the last race and is the main challenger here. 9 Timorol resumes from a long spell in the last race and won directly. Should be even better this time and this number suits the horse well. 7 Harvard Student finished strongly to a second spot from far behind in the last race. Will go around many opponents here but needs some racing luck.

2 Balla You S.M. scored a convincing win from outside the leader in the last race. Longer distance now but we think she will solve this task. 8 Muzzle the Yakker did not trot perfectly in the seasonal debut but could win anyway. Got a break after that and will be in the mix here with the right trip. 9 Love Eagle finished to an easy win in the last race. Is in good shape and should be followed here. 11 Keira de Veluwe is interesting in this seasonal debut. Has good ability for this class and could go around many opponents directly.

7 Borups Victory has been at least second in six attempts so far. Can open fast and will probably get an offensive start despite this number. Our pick. 9 Carl Halbak finished under 11/600 in the last race and looked nice. Will fight for victory again but needs some racing luck with this back row draw. 8 Donizetti is poorly drawn but developing well. In the mix with the right trip. 2 Dozen of Oysters is promising and has two wins in three starts. Nice number and should not be overlooked.

2 Longines is our pick in this interesting long distance race. Is still inexperienced but we think he will put in a great performance here. 3 Shejk has very good speed but is a bit fiery too. If he stays calm he should be considered early. 1 Pewdiepie has two runs under his belt and faces nice conditions money-wise here. Will find it hard to reach the front here but will certainly get a nice trip anyway. 11 Västerbo ImtheMan met tough opponents in the last race and was not empty at the end. Will go around many horses here with the right journey.
