5 Kipketer Mearas was a bit too fiery in the last circular start and galloped straight away. He showed good form in the previous race. Our pick. **4 Kyrie Eleison** is a top horse, but he hasn't started since July last year and will probably need this run under his belt even though there are rumours of a nice track job before this comeback. **2 Head Run** prefers to run in the lead and it looks like he has a good chance of getting there now. **3 Ringo Adore** finished fast in the last race a bit behind the winner.

6 Gejst put in a very good effort when she finished in a low 12-time at Åby two starts back. She was not as good at Bjerke last time and the form is therefore a bit hard to predict. Still our winner. **8 Kim Peek** won five ridden races last year and clearly showed that he likes to compete under the saddle. **3 Calibra V.W.** has only made four starts under the saddle, but is really good in this discipline. **12 Dollar Doc** has won a couple of ridden races in France and is an early contender here.

3 O.M.Megastep met a couple of today's rivals when he won last time and looked really nice in the lead then. Faces an appropriate task again. **8 Evenepoel** is tricky but has got an interesting task. Tried to qualify for the Kungapokalen earlier this spring and is going down a lot in class here. **9 Floripa** finished nicely in a bit behind the winner in a slightly tougher race at Solvalla last time and has shown good speed resources. **6 Asakura Face** is not bad at all. Looked nice a bit behind the winner after a gallop at Lindesberg two starts back.

12 Jula Menuncio got a trip from first over last time and scored a good win after a quick finish. Tricky post here but he is the best horse. **5 Galaxy Love D.E.** never got a real chance in the last race but seems in good form and she will meet quite easy opposition. **2 Kencio Jaam** got a run under his belt last time. Should be on the way up. **1 Viral** galloped in the last race but was not empty then and seems in fine form. Good chance from the lead or the pocket.

RANK

11 Flame started well for Bergh and has been in good form this spring but was not at his best in the last race at Halmstad. Our pick. **13 Klang Shadow** put in a good effort as second in the last race. Was matched against good horses last year and has put in several nice performances. **10 Darude** is a nice and speedy horse who doesn't seem very easy. He followed well in the last race after a gallop and had energy left. **3 Steady Breeze** galloped in the lead in the last race and also galloped two starts back with 400 meter to go.

7 Mindyourlove W.F. had scored two wins in a row until the last time when he gave away the lead and then got locked in with lots of energy left. **5 Budets Hildur** has been competing well for a long time now without winning but that could change any time. **3 Queen** scored two nice wins in a row at the end of 2024 but has had a break since then. **11 Satsuma** got a tough trip in the last race and gave up at the end. Should get a nice defensive journey until 400 meter to go and then she uses to finish well.
