1 Thai M. Square was a real winning machine in Norway for Pål Buer. He was successful for Per Nordström too and now he is back in Norway for trainer Thor Borg instead. He is a quick starter and should normally have a good chance. **4 Burning Love E.P.** is matched in good companies and will run barefoot now. **5 Customer As** is consistent most of the time. Possible but needs some racing luck. **6 Dark Night S.E.** is not reliable but could be a place bet here.

11 Grude Erling faces quite tough conditions in this race, but has scored two convincing wins recently. He met tough opponents during the spring and been improved. Good chance. **7 Kvikk Sølv** is a 5-year-old who is on the way up. Interesting barefoot. Should not be overlooked. **14 Mimle Ø.K.** is a winning machine. Tricky position plus a handicap. Barefoot is exciting though. **2 Tjuagutt'n** faces good conditions in this race compared to his capacity.

2 Nordli Anki has shown good capacity, but is not always reliable. Gunleif Tollefsen has done well behind the six-year-old filly and despite plenty of strong opponents, she should have nice chance. **6 G.G. Sin** still hasn't won after ten starts, but the horse owns good speed and is good for this class. **3 Homme Nemesis** needs to set a new record but has shown quite good skills. **5 Lye Midnatt** is interesting together with Höitomt.

9 Firedup was extremely good last time with an American bike. He is a very capable horse who has impressed for Geir Mikkelsen. Is driven by the trainer now which is a minus compared to Tom Solberg, but they still should have top chance here. **2 Gentleman Sun** made it to the Norwegian Trotting Criterium last year. Has a run under his belt and is ideally drawn. **3 Karlo Vang** has put in a couple of consistent and good efforts. **10 T.N.X.** is possible too but needs some racing luck.
