7. **MA BEREZINA** - Not disgraced when fourth on debut over this distance but has regressed in two runs since and is probably best watched for now

**Summary** : CARVANA (3) showed promise last year and his runner-up run last time out indicated he may be regaining his best form and if he does find his best form he will be very hard to beat in this line-up. EDEN (1) looks like the main rival despite having top weight. She is lightly raced and has more improvement in her. STELLAR JAY (9) has a nice racing weight and is one for the each-way backers to include. VARENNA (4) can be on the premises after two solid latest efforts, including a win in mid-June at Amiens over 2200m.

ZILLIPOM (8) ran solid races on the last two starts and is shaping up for a good run, she has also dropped to a fair rating and looks the main threat to the selection. AQUITAINE (11) is one to include in all place bet permutations, with two recent second-placed efforts, and is sure to be on the premises. COGOLIN (1) merits consideration and looks best of the remainder.
