3 Hvenhilda Quick is our winner in this very weak race. She was second with Tommy Karlstedt in April and now she finally has a good lane. **7 Monique Day** has to be considered very early in this race despite a tricky position. She was third in the last race with Oscar Ginman and is challenging. **5 Sunflower Tile** is not completely reliable but pretty good for this field. Can open fast. **11 Tera** took two consecutive second places earlier this spring. Earned the most money last year and faces the best conditions. Hopes for quick pace.

4 Lorenza Nownow is our idea here. She is not completely reliable but can open fast and will probably take the lead here. **5 Dynamite On Time** has only one win in 32 starts but meets easy opposition here and got locked in with a lot of energy left in the last race. **9 Love Lii** needs a bit of luck from here. Was third with today's driver Bernardo Grasso at Jägersro in April. **10 Mayfire** has only one win in 42 attempts but is quite consistent and cannot be completely discounted in this company.

8 Randemar R.D. had a good season last year and faces very nice conditions here. He has met horses like Önas Prince and Beartime towards the end. Much easier this time. **6 Honey Dun Girl** had a great season last year and earned over SEK 400,000. Is fast from the start and our favorite for the lead. Challenger. **11 Lucifer Sam** faces good conditions. Doesn't win very often and needs a bit of luck from here. Hopes for quick pace. **5 Easter Princess** has earned the most money this year without winning. Good lane and place bet.

3 See You McAllan is our idea here. He is quite good for this field and should have a good chance of reaching the front. Anton Knutsson is driving now. **10 Sabasi** had a great season last year and is probably the best horse. However, he hasn't convinced at the end and his form is a big question mark. **8 Gossip Simoni** is probably one of the best horses in this field. He also needs a bit of luck from this difficult position. **11 Woogie Broline** has already won two races this year and is quite consistent. Hopes for quick pace from here.
